SRX Titanium Coil
 Unicased XT edge support
 comfort core
 wool blend fibres
 heat management fabric
 anti allergen antibacterial
 Memory Foam

* Australian silk fibre with thermal properties providing warmth in winter and cooling in summer
 * Sealy's unique SRXil Titanium support senses your body's weight and helps to provide support
 * The spring unit locks into Sealy's innovative UniCased XT edge support system to provide even greater stability and maximises your sleep surface
 * ComfortCore Premium located in the centre third of the mattress where Memory Foam offers aids towards a greater level of conformance
 * LiftRight Handles make moving your mattress easier
 * DuraFlex Foundation works with your Sealy mattress to extend the comfort life, minimise motion transfer and help to provide further stability
 StayTight Foundation Cover is a clever rubberised fabric cover that grips to your sheets to help keep them in place

Posture tech coil
 Anti allergen antibacterial
 Unicased edge support

* Sealy's unique SRXil Titanium support senses your body's weight helping to provide support
 The EdgeGuard supports system helps to provide a firm seating edge and a stable feel
 * High quality foam and comfort layers provide a variety of comfort choices
 * PermaGrid Foundation provides stable support for the mattress and increased durability
