

POL.B.09.02 - Policy on Land Acquisition

The Board may seek to acquire additional land for park purposes. The following matters should be considered as part of the Board's determination whether to acquire land:

- a. The acquisition and proposed use of the land will significantly enhance the recreation and leisure activities the Park District can provide to its residents.
- b. Acquisition, development, and maintenance of the land is not inconsistent with the Park District's current Capital Improvement Plan and Level of Service standards and can be undertaken without violating the Board's fiscal and funding policies.
- c. Public approval via voter referendum has been obtained if funding requirements cannot be met with currently available financing mechanisms.
