Facility Comments

This permit allows the group to gather in the park at the above date and time for the purpose listed on the permit, but does not guarantee any specific space or feature within the park. For example, park features such as splash pads, playgrounds, etc. can be used, but the group's presence must not intrude on the general public's use of these features. The group is allowed to use other park amenities such as picnic tables and open grass areas on a first come, first serve basis. If your group plans to use any open courts or athletic fields during your visit, please be mindful of the recent weather conditions and the impact that play on wet grass can have. We want to ensure that our fields remain as intact as possible throughout the entire season and appreciate your willingness to stay off of the fields during or after recent rain or other inclement weather. Improperly supervised groups or those that break park rules are subject to having their permit revoked and will be asked to leave the park immediately.

Barbecuing is not allowed. Motor vehicles are not allowed in any area of a park and if any large equipment will be brought into the park (must be noted on the permit), it must be carried in by hand. The Park District requires permitted groups to also carry out any items that they bring into the park so for example, participants should be encouraged to bring reusable water bottles or at a minimum to take their disposable plastic bottles home with them to recycle. Please be sure to bring garbage bags with you to your event to collect any garbage or recycling and to carry it back to your facility with you.

Please note that restrooms are not available in all parks, at all times of day, and especially at all times of year. While we try to do our best to provide access when and where it is feasible, we cannot guarantee restroom access for your group. All youth groups are expected to be properly chaperoned throughout the length of the event, including when using the restrooms.

Special Questions: Event Name: Elisabeth Patterson
 Event Type: Longfellow School Olympic Day
