Player's Name: Louis Delano

Phone Number: 312-520-2829

With the interest in providing the best hockey experience for your child, we have adopted the following Parental Code of Conduct Policy. Each parent is required to read the information below and sign the bottom of this form, acknowledging that you understand and are willing to abide by the policies set forth. Thank you for your support on this issue.

Parental Responsibilities:

1. Have your child at the arena, allowing enough time to get ready (minimum ½ hour). Lockers rooms are available and should be used at all times, rather than changing in the upper or lower lobby.
2. Always show support towards your child and the other children out on the ice. Don't forget that they are only children. Your support means a lot to them.
3. Set a good example by treating the officials, coaches, athletes, and fans with respect and dignity. *Remember, hockey is a game and a game should be FUN!* It is your responsibility to demonstrate the same type of behavior we wish to see in our children.
4. Support the coaches. Remember, they are *volunteering* their time. If you have a problem or suggestion, please discuss it with the Team Manager.
5. Never discipline your child for making mistakes or losing. Winning is not the main objective of the Huskies Hockey Program.
6. Coaches will attempt to provide *fair* ice time for all players, no matter their ability. Once again, as long as everyone gets to play and have fun the game was a success...no matter who had the highest score.

Parental Code of Conduct

Any parent's behavior, occurring in or about any ice arena during a game or practice, that brings discredit on the Ridgeland Common Huskies Hockey Program or any of its players, parents, or coaches, shall immediately be reported to a Coordinator and the Hockey Director as appropriate. Upon such report, the Coordinator and the Hockey director shall take whatever steps necessary to investigate the incident. If such investigation reveals that the incident occurred, the offending parent shall be barred from further games and/or practices for such period as the Coordinator and Hockey Director deems appropriate. If the behavior is reported by an official to the *Amateur Hockey Association of Illinois*, a minimum suspension of three games will follow. If such parent who is suspended appears at any game or practice from which the parent has been banned, the child of the parent shall be benched for such period of time as that parent remains in violation.

I have read, understand, and will abide by the Parental Code of Conduct as outlined above. By signing below, I am committing my entire family to abiding by this policy.
