Dear Management Council Members:

Thank you so much for your understanding and willingness to adjust your schedule. The process of hiring a new superintendent is the most important task assigned to the Board of Education, and with the loss of our dear colleague, the Board needed some time to pay their respects to the family, reflect and regroup.

Our timeline for the hiring of the new superintendent has not changed. We will adjust the interview process and forums, and be back on track. With that in mind, your new interview appointment is **Wednesday, February 18, 2015 at 9 a.m.** As a reminder, during this focus group, which will last approximately one hour, you will have the opportunity to provide feedback regarding the qualities and characteristics you believe the district's next superintendent should possess.

While we would greatly appreciate your participation in this smaller focus group, we realize you may have other obligations that prevent this from happening. If that is the case, we invite you to join us for one of the following public forums:

- Tuesday, February 17, 2015 at 7 p.m. at Julian Middle School
- Wednesday, February 18, 2015 at 7 p.m. at Brooks Middle School

Whether you can attend a session or not, we strongly encourage you to offer your input via an online survey that can be accessed by visiting <https://survey.ecragroup.com/index.php/111513/lang-en>. This survey will be available until 11 p.m. on Wednesday, February 18, 2015.

Please contact Sheryl Marinier (smarinier@op97.org; 708-524-3004) if you have questions or need additional information about the focus group or search process. In the meantime, I want to thank you for your time and attention to this important matter, and for your continued support of our schools and the students we serve.

Sincerely,

Bob Spatz
President
Board of Education
