Pat,

I have 8 Officers who have volunteered to work it and a deadline of tomorrow to sign up. We won't have any problem fulfilling our commitment. Have you been in touch with Public Works to inform them of what you need from them? If so, have you received an acknowledgement that they are all set?

Thank you,

I have been in contact with Public Works pretty regularly and we should be all set there. Will you have an updated # of officers once your sign up dead line is up today? Let me know, thanks!!

I did check with PW today and they confirmed that they were gathering barricades for you today. We will reschedule or assign on duty personnel to fill up to the needed number of Officers so you can cross that off your worries.

Great, thanks! Was there anything you need from us in regards to payment for the officers? Or just contact info for our finance department?

Pat,

Even though the 6 officers that we will use to fill from Patrol will be making \$45-60/hour from the police department, we will only invoice at \$30/hr per officer up to 14 Officers.

Pat:

I would like to get maybe 15-20 minutes with you this Saturday morning to introduce you to Sgt. Brace Melton. Sgt Melton will be supervising the detail on Sunday. I would like for you to join Sgt. Melton and me in my car to commentary drive the route. Can you find that time between 8:30-11:00 am?

If so, where would you like to meet and when?

Thank you,

Joe
