

MANAGE™ PROTECT

MANAGE the internet. PROTECT your business

KEY BENEFITS

MSP SPECIALIST:

Managed Service Providers (MSPs) are our focus; we understand your world, your challenges and your customers. Cloud Technology through the channel - it's all we do!

MONTHLY BILLING:

Flexible, easy, no contract and no risk.

AUSTRALIAN TECHNICAL SUPPORT:

Our service desk and pre-sales engineers are based in Sydney and Melbourne - speaking your language, answering your questions and in your time zone:

- Email & Live Chat Support: 9am - 12am AEST
- Phone Support: 9am - 6pm AEST / 24/7 Emergency Support.

AUSTRALIAN DATA CENTRES:

All services are provided through secure Australian Data Centres.

FREE NFR AND TRIALS PROGRAM:

Use what you sell, and win over your customers with a trial service.

WHITE LABELING:

Your relationship with your customers is paramount; build your brand through white labeling.

100% CHANNEL:

Our partners can be confident of no conflict with a direct sales team. We offer our services exclusively through a select group of reputable and certified partners that we trust to deliver the right solution.

CLOUD TECHNOLOGY FOR MSPs

Manage Protect is an Australian award-winning Cloud Technology specialist. We deliver a best-of-breed integrated security platform of cloud-based services through local provisioning, help desk, pre-sales support, training and certification.

Our partners are trusted IT advisors to thousands of Australian and New Zealand businesses.

Every day our partners deliver better productivity, security and compliance to their clients through our services with the knowledge of being backed by local Australian specialist account management, pre-sales and help desk support teams.

CLOUD TECHNOLOGY SPECIALIST - NOT AN IT DISTI!

We are not a 'jack of all trades', just as you are not a number. Manage Protect is not an IT supermarket with hundreds of products and services. Instead we focus on knowing everything there is to know about our eight services.

Our team has been delivering Cloud security solutions to the Australian and New Zealand business marketplace for over 22 years.
