Calendar

Multiple Calendar Views

- **All Events** – displays all events for the user's groups (ie MBA, 1Y/2Y, WGA clubs, etc)
- **My Calendar** – displays personalized events for the user, including:
 - Classes
 - Appointments from the Wharton Appointment Scheduler and CareerPath (within an hour)
 - On-Campus Recruiting Interviews from CareerPath (within 24 hours)
 - Bookmarked events (from the All Events section that the user has bookmarked)
 - GSR reservations

Note:

- Employer Information Sessions and Workshops (from CareerPath) and Campus Group events that a user RSVPs to in CareerPath or Campus Groups will not automatically be displayed on My Calendar
- Users will need to bookmark the event from All Events in order for it to be listed on My Calendar
- **Important Dates** – determined by staff

Other Page Features

- **Filter** – search for events by date range, topic or group
- **Related Links**
- **Views** – list view or calendar view (use calendar view to see past events)
- **Actions**
 - **Book GSR** – links to the GSR reservation system
 - **Request a Room** – links to Operations Room Request form for students
 - **Note:** Requesting a room and submitting an event used to be connected in SPIKE – they are now two separate steps
 - **Submit Event** – students can create events for any groups they are a member of
 - Community managers can edit any event; events coming from integrations should be edited at the source (i.e. CareerPath, etc)
