

MilitaryChildcare.com

- Front Door - 24/7 access to all DoD-wide inventory with anticipated placement time based on members' DoD Priority
- Families manage their child care requirements and preferences
- Trusted quality 'brand' for military families
- Currently adding Community Providers to MilitaryChildcare.com that are both willing/qualified

NAVY CURRENT CHILDCARE SYSTEM OF CARE + FUTURE OPERATING CONCEPTS

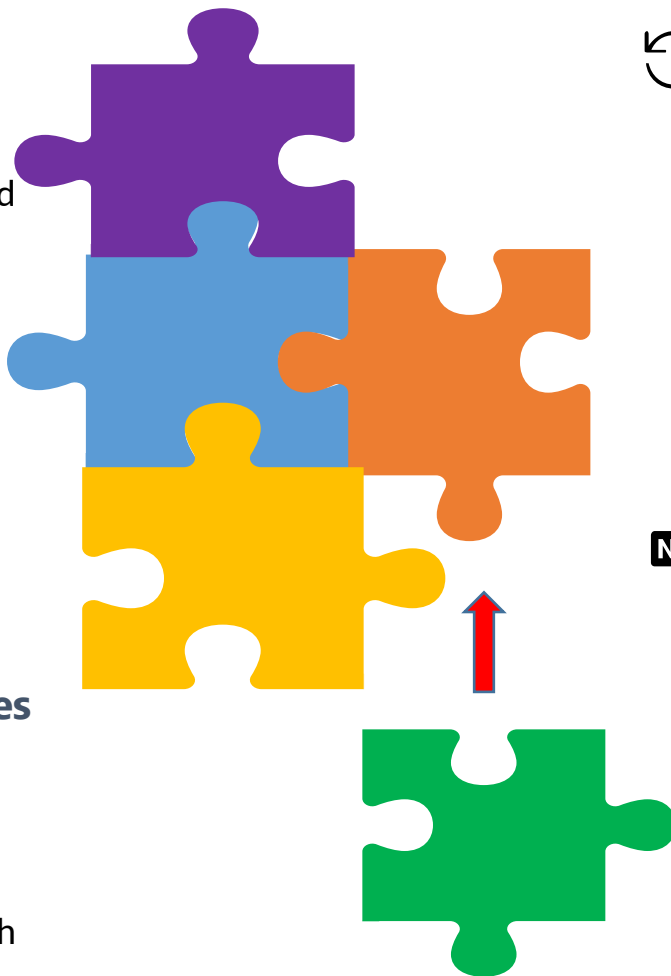

Child/Youth Development Centers

- Navy operated with largest capacity of our "System of Care"
- Sustainment/recapitalization critical to military readiness + Nation-wide capacity
- Combined with other Initiatives, expansion likely needed to meet demand

Navy Certified Family Child Care Homes

- Independent small businesses with oversight from Navy professionals
- NOT limited to just PPV/Military Housing
- Decline in providers last 10 years/quality stigma with parents
- Seeking agreement with States to accept DoD/Navy Certification as alternative to State Licensure

Community Fee Assistance

- "Military Childcare In Your Neighborhood"
- Provides fee assistance to members using eligible commercial programs that meet minimum standards
- Designed for geographically dispersed members
- Community capacity shortfalls impact availability, especially in Navy fleet concentration areas
- Currently adding inventory to MilitaryChildcare.com

Navy Community Partnership Initiatives

- "Art of Possible" cost sharing opportunities to add capacity/infrastructure to benefit Navy/DoD + Communities
- Maximize 10 U.S.C. §1799
- Create mixed use facilities (e.g. Schools)
- New "Franchise-like" community inventory
- Commercial developed Child Development Center/Navy operated/sell portion of capacity to community to offset lease-back facility cost to Navy
- Request for proposals in various stages throughout 2020
