

Tricefy

Images in a heartbeat

Archive

studies securely and
access them at anytime,
from anywhere.

Collaborate

quickly and easily
with referring physicians,
colleagues, and experts.

Share

patient images, clips and
reports via a secure link or
the Tricefy patient app.

Document

by transferring data from
an ultrasound system into
a customizable report.

Try the Tricefy™ experience at
www.triceimaging.com

Experience freedom
and peace of mind with
the ability to safely access
medical images and data any
time, any place, on any device.

Cloud-based

Tricefy provides unlimited, secure, long-term cloud storage providing an easy-to-use archive for reviewing studies anytime, anyplace, from any device.

Secure & Compliant

The Tricefy cloud service is designed with multiple layers of state of the art security across a scalable, secure infrastructure.

Collaborative

Tricefy's integrated Consult feature enables you to instantly share patient images, clips and reports with referring physicians, colleagues and experts.

Efficient

Streamline your patient sharing, collaboration, EMR and reporting workflows by using Tricefy automated services.

Eco Friendly

Tricefy eliminates the need to print and fax. DVD, USB and thermal paper become obsolete.

Share

Patients can receive a secure link to their exams via text or email that they can easily share with family, friends or clinicians.
