

# HEALTHIER AT HOME

WITH RECOVER CARE

At Recover Care at Home, we care for individuals as though they are a member of our own family. Care is embedded in our name and we passionately live out our mission of providing superior consistency of care. The best place to receive care is in a controlled environment that can help keep the client Healthier at Home.

While enhancing the lives of seniors, our private pay services are provided in the comfort of each client's home—WHEREVER the client calls home—and can be customized to meet each client's unique needs.

## The Recover Care Commitment

We focus on the client's quality of life and strive to reduce hospitalizations

We ensure consistency and continuity of care...clients see the same caregivers each time

We utilize a best-fit match—matching clients with caregivers to ensure a compatible relationship

We provide a 2-hour minimum visit (most competitors require 3-4 hours minimum)

We provide quality care for an affordable fee (on average, \$3 less/hour than our competitors)

We provide our staff with a high level of individualized, in-depth competency training in various settings, so caregivers are prepared for any scenario

Staff is paid at a higher rate than industry average, ensuring longer tenure

Our Family Room online portal provides real time, transparency into the care of their loved ones with care schedules and care logs at the fingertips of family members

We offer a 100% satisfaction guarantee

## What people are saying...

"Recover Care at Home has stepped in alongside us with such care and concern. I have many clients who simply need that added blessing of consistent day-to-day nursing-in-home care...I can trust Recover Care at Home to come in and do an honest evaluation with a fair price. Angela has always stepped in right alongside of me. URMORE Care Services looks to Recover Care first when situations come where we need to partner with another agency to assist with our clients. So grateful!"

*Heather, URMORE Care Services (referral partner)*

"Heidi is just a pleasure to work with, sweet and she helps with everything. She is just a gem!!"
