

Getting to know our workspace

① Camera and microphone controls

② Personal pointer (visible to all!)

I am working from the office

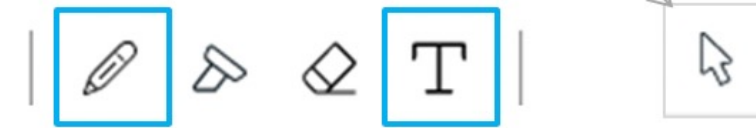

I am working from home

Getting to know our workspace

- 1 Camera and microphone controls
- 2 Personal pointer (visible to all!)
- 3 Mark-up tools: Pen, Highlighter, Eraser*, Text
- 4 Change size or color of mark-ups
- 5 Raise your hand

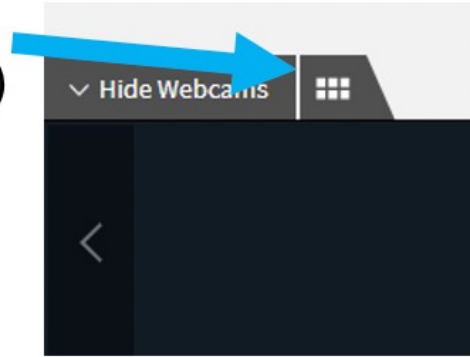

**Pro tip: instead of using the eraser, use the basic arrow to select and delete your mark-up*
