S. M. No. 29

PA-12 C. A. A. FIELD APPROVALS

(Not listed in the C. A. A. Specifications)

In order to secure details for the installation in which you are interested it will be necessary to contact, directly, the party by whom the approval was secured as we have no additional information.

APPROVAL FOR THE O-290-D (125 HP) INSTALLATION - PA-12

1. State of Maine Fish & Game Department - secured 11-29-50
2. Harry Reed, 1001 N. 75th Street, Los Angeles, Cal. - secured 2-8-52
3. A. J. Poulin, Manair Service, Lefleur Airport, Waterville, Maine
4. Stoddard Aero Service, 2550 E. 5th Avenue, Anchorage, Alaska

APPROVAL FOR THE O-290-D2 (135 HP) INSTALLATION - PA-12

1. Central Maine Flying Service, Box 558, Old Town, Maine - approved 3-25-54
2. Art Barr, Williamsport Technical School, Montoursville, Pennsylvania
3. J. Myers, Box 27, Mill Hall, Pennsylvania

The above is not Piper authorization to make the reference conversions, but information that the conversions have been approved by the C. A. A. as well as information as to whom to contact for details. It is possible there will be a slight charge for the drawings and data for the modifications due to the original costs and red tape involved in obtaining the approval from the C. A. A.
