IGSA Value

- **DOD needs to reduce both excess capacity and costs to own and operate bases and training ranges**
- **KEY: lowering the cost of doing business and enhancing Military Value and Readiness to keep/grow missions and jobs**
- **Military must focus on the MISSION**

Blanket IGSA Basics

- 10 year agreement with \$15 million maximum cap
- New goods and services added as “categories,” with Best Interest Analysis and Determination made by JBSA
- Task Orders, with collaboratively developed Performance Work Statements, issued by 502 CONS
- Workgroup meets periodically to identify and vet new category candidates
- Local Governments participate through AACOG under Interlocal Agreements
- AACOG provides Administrative, Financial, and Quality Assurance Oversight
- FAR applied selectively, dependent upon good or service provided, per Air Force policy
