

# Meeting Hub Release Notes

## Version 2.1.1

---

StrataMax has been dedicated to meeting the needs of Strata Managers for over 20 years through the continual enhancement of our software suite. We are committed to providing new functionality to support you in servicing your clients and to provide opportunities for you to optimize efficiency within your office environment.

This document describes exciting new features and enhancements available in the above release.

A history of Release Notes can be reviewed on the [StrataMax Online Help](#)

THE COMPLETE STRATA MANAGEMENT SOLUTION

What's Better .....3

## What's Better

- An issue with the Generate Notice button not functioning for a Reconvened meeting has been resolved.
- An issue for Ballot Only meeting types where an attempt to query for the latest voting window close date time caused a server error has been resolved
- An issue where attachments to meeting motions were not displaying on the Document Distribution window has been resolved
