Ballot Only meetings have been enhanced to now allow the following date interpretations to be included.

- Allow the ballot close date and time for the Ballot Only meeting, to be the same as the ballot open date and time.
- Allow Ballot Only meetings to be backdated - this includes the open date and time, and the close date and time.
- Allow a Ballot Only meeting to be finalised before the scheduled open date and time.

2. Meeting Hub – Search Roll now shows the attendees that have been added to the meeting

The Search roll page has been enhanced to allow the manager to easily see if a lot has already been added as an attendee for the meeting. Attendees that have already been attached to the meeting will be highlighted in yellow.

What's Better
