PALM BEACHES

The Mandel JCC **INCLUSION INSTITUTE**

The Mandel JCC's Inclusion Institute is a three-day in-person pilot program designed to train other agencies to provide early intervention to children with exceptionalities in an inclusive setting. Participants will receive a combination of didactic training from some of the leading experts in the field of early intervention, as well as hands on training from our staff on how to implement these systems in a JCC classroom.

All participants will leave with the tools and materials necessary to implement this program at their JCC. We are excited to work together to ensure every child with special needs has a home at their JCC.

**March 1-3
2023**

**In Person
West Palm Beach, FL**

\$495 per Agency
