THE COMPLETE STRATA MANAGEMENT SOLUTION

What's Better3

What's Better

- Dashboard – Active Lots – Won/Lost now displays 'Number of Lots' and exported report 'Total Active' has been retitled to 'Total Lots'
- GLMax Payment Management – All Companies filter in Payment Management in GLMax was incorrectly showing the BCMMax buildings instead of the GLMax Companies. This has now been resolved
- Receipting GLMax – When changing the Balancing Account in Receipt Entry or Transaction Entry the system was generating an exception, this has now been resolved
- Manual Entry of 'Brought Forward' – when a building changes bank account, the new account may have a brought forward, even if there is history for the building already, this needs to be copied to history to stop the warning message for users.
- EFT Manager – EFT Authority Report – The ability to select additional template has been exposed in the EFT Authority Report screen. Only the default report is available at present.
