Founders

The three founders of GOAT Events, Jordan Johnson, Ryan Scanlan, and Shea Scott are all former GiveSmart On-Site Managers. With over 500 events managed between them, you are getting a seamless transition with the same level of service and professionalism you have had in the past. GOAT is more than just a staffing company; they offer an abundance of expert information and on-demand support from the moment you sign.

Meet Your Event Team

GOAT serves as an extension of your team, working together to achieve your fundraising goals. They pride themselves on providing the highest quality staff in the industry.

- **GOAT Managers (GOAT's)** are previously trained by GiveSmart and experts with the platform. Your GOAT (on-site manager) has years of GiveSmart management experience and is able to handle any last-minute changes or unforeseen challenges that may arise the night of your event.
- **Event Specialists (Staff)** - you can expect a motivated, passionate, professional, and friendly event staff with specific knowledge of the GiveSmart platform. GOAT staff will actively interact with guests from the moment they arrive and encourage their participation in all fundraising components throughout the event.

GOAT Events also offers additional services, taking a consultative approach and working closely with clients to understand your goals, developing strategies specific to your event.

For additional tech. support on the night of your event, please consider using a GiveSmart Remote Campaign Technician who can assist you (and your GOAT) with complex or nuanced events, requiring extra site attention.
