THE COMPLETE STRATA MANAGEMENT SOLUTION

What's Better .....3

# What's Better

- Ruling a Motion Out of Order now displays the Reason text when the Meeting Minutes have been submitted.
- Creating a Meeting has been enhanced to allow a non-Physical address like 'MS Teams' to be entered without an error being displayed.
- An issue navigating backwards from a committee election to a prior motion on the In Meeting pages in Meeting Hub has been corrected, allowing the prior motions details to be displayed as expected.
