GIVESMART CERTIFIED EVENT MANAGERS AND BIDDING ASSISTANTS

Life Event Staffing specializes in providing human interaction for auction technology platforms, so our staff are continuously gaining experience across the industry. We provide only skilled personnel who can help establish relationships with your team and donors whilst ensuring your technology platform runs smoothly. We are well-versed in the refinements that go along with non-profit clients and fundraising events. Clients don't solely need enthusiastic brand ambassadors; they require highly trained individuals who can confidently and knowledgeably run and assist in auction events.
