

Department of the Air Force

Air Force Mission Sustainment and Community Partnerships

**Ms. ToniAnn Fisher
Director, Air Force Mission
Sustainment and Partnerships
March 2023**

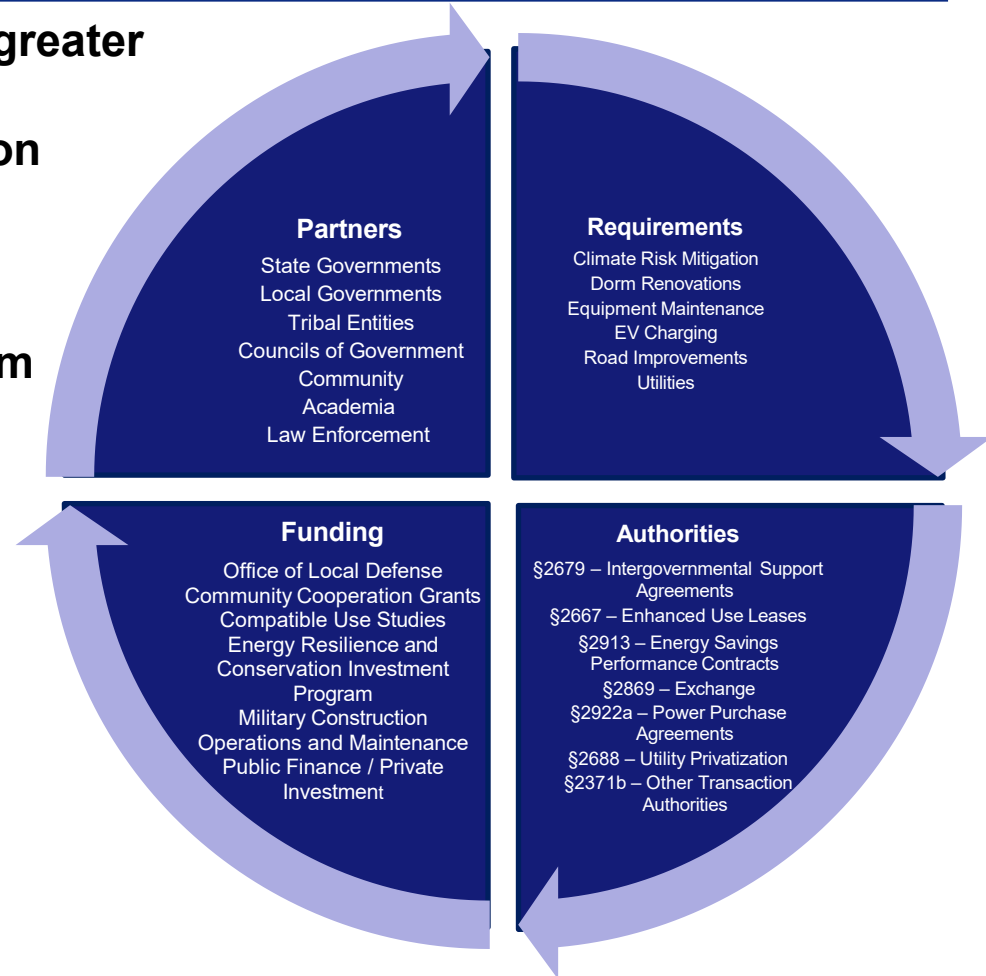

Our Strategic Approach to Partnering

Objective: Think BIG by focusing on greater impact projects that tackle mission, resilience, and installation optimization

Partnerships Office Role:

- **Foster Innovation & enterprise wide-solutions >>>Awards Program**
- **Proactively support partnership development**
 - **Educate** by sharing best practices and replicate of enterprise-wide solutions
 - **Guide** through policy advocacy and engagements with communities
 - **Connect** by helping you find the right people in the Air Force

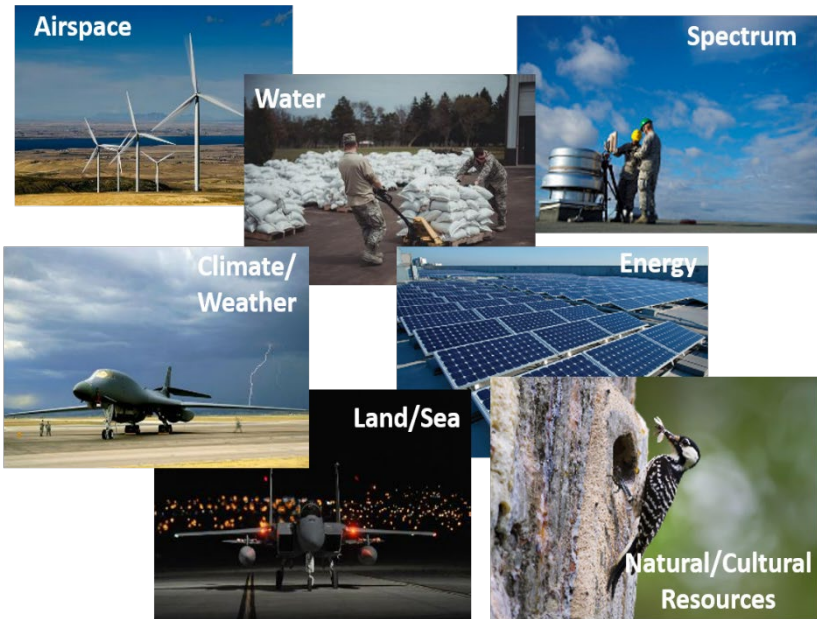

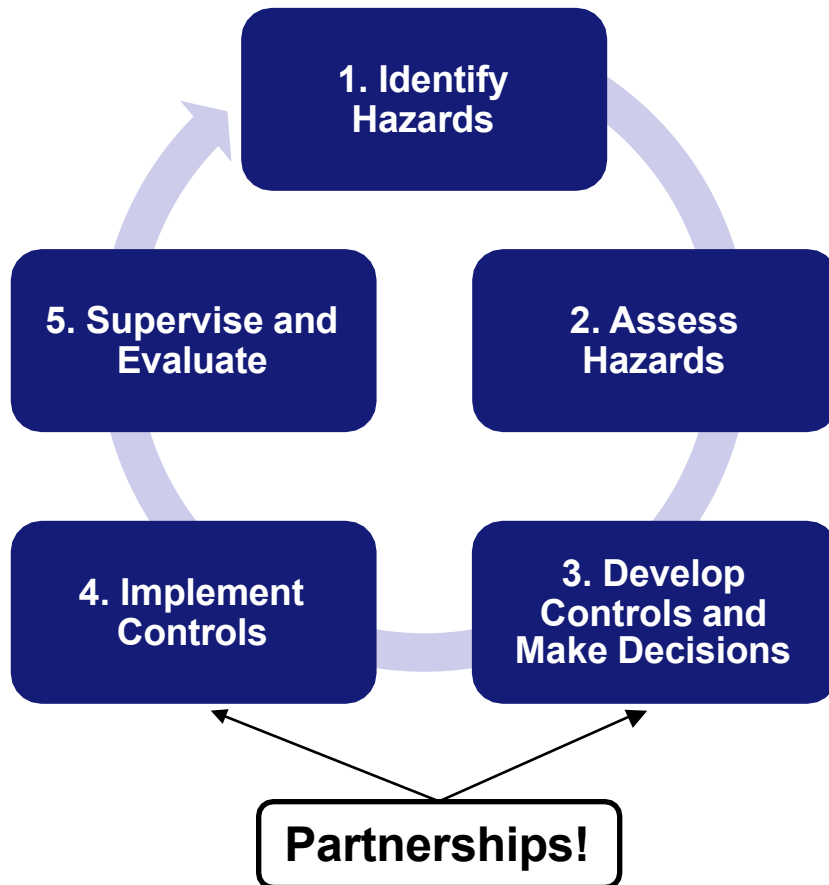

“Proceed until apprehended.” – General “CQ” Brown, CSAF

Mission Sustainment and Partnerships

Mission Sustainment Process

Partnerships, through many types of agreements, are tools to address mission sustainment-related risks, as well as needs, requirements, challenges, and shared successes on base and in the community.

Familiar to Enterprise-Wide: Next Gen Partnering

Supplies & Services

Divestment Partnership (JBCC)

Emergency Response & Mutual Training

Blanket IGSA
Regional IGSA

Currently:
10 years

Firing Ranges

IGSA (Fairchild AFB)

Five & Thrive

Next Gen Partnering: The How

Use multiple tools & authorities (Grants, IGSA's, etc.) when needed.

Hampton Roads, VA

DCIP Firing Range
(JB Langley-Eustis)

Box Elder, SD

DCIP Liberty Center
(Ellsworth AFB)

San Angelo, TX

Contracted Quarters & Meals
(Goodfellow AFB)

“One Community” Approach to Planning & Partnerships

Planning and Partnering occur on BOTH sides of the fence line.
Success is in deliberate & innovative cross-collaboration.

Enterprise-Wide Solutions for Enterprise-Wide Challenges
