

ISSUETRAK SOFTWARE LICENSE TERMS AND CONDITIONS

These Software License Terms and Conditions (the “**Terms and Conditions**”) govern the licensing of Software (as defined below) by Issuetrak, Inc. (“**Company**”) to the client identified in a quote (the “**Quote**”) executed by Company and the client (“**Licensee**”) and referencing these Terms and Conditions (each of Company and Licensee, a “**party**” and collectively, the “**parties**”). Any different or additional terms or conditions of any related quote, purchase order, confirmation, or similar form, which conflict with these Terms and Conditions, shall have no force or effect. These Terms and Conditions together with an Quote are collectively, the “**Agreement**”).

1. Grant of License and Restrictions.

(a) License. Subject to the terms hereof and the payment of all fees due hereunder, Company grants Licensee a non-sublicensable, nonexclusive, license to install and use the Company’s software described in the Quote (the “**Software**”) only on one server solely for Licensee’s internal business purposes. Licensee will maintain the copyright notice and any other notices that appear on the Software on any copies and any media.

(b) Users. The number of persons concurrently using the Software shall not exceed the number of authorized users specified in the Quote. At all times during the Term of this Agreement, Licensee will designate and retain (or replace) one or more system administrator(s) to be responsible for performing administrative tasks associated with Licensee’s Issuetrak Software application(s).

(c) Restrictions. Licensee will not (and will not knowingly allow any third party to) reverse engineer or attempt to discover any source code or underlying ideas or algorithms of the Software. Licensee will not (and will not knowingly allow any third party to): (i) provide, lease, lend, disclose, resell, rent, use for timesharing or service bureau purposes, or otherwise use or allow others (except Company) to use for the benefit of any third party, the Software (except as expressly and specifically authorized by Company) or exceeding more than one (1) production instance and one (1) QA/development/Test instance per installation; ; (ii) possess or use the Software, or allow the transfer, transmission, export, or re-export of the Software or portion thereof in violation of any export control laws or regulations administered by the U.S. Commerce Department, U.S. Treasury Department’s Office of Foreign Assets Control, or any other government agency; (iii) disclose to third party any benchmarking or comparative study involving the Software; or (iv) modify the Software. All the limitations and restrictions on the Software in this Agreement also apply to any documentation related to the Software provided by Company (the “**Documentation**”).

(d) Services. To the extent described in the Quote, Company shall provide the Software implementation, installation, and training services (the “**Installation and Training Services**”). Company and Licensee shall agree in writing upon the professional services to be performed (“**Professional Services**”) and deliverables (“**Deliverables**”) deliverables to be provided, each as further described in a statement of work referencing this Agreement and executed by Company and Licensee (“**SOW**”). The terms of this Agreement shall be deemed incorporated into and shall govern each SOW. Unless otherwise set forth in a SOW, Company will own all right, title, and interest in and to any Deliverables provided pursuant to a SOW. Any Deliverables that are improvements, enhancements for changes to the Software shall be deemed Software and licensed to Licensee in a manner consistent with the Software licensed under this Agreement. In the event of any conflict between this Agreement and a SOW, this Agreement will control unless otherwise the SOW specifically states that the SOW shall control.

(e) Company Responsibilities. Licensee shall be responsible for employing a person qualified to operate and utilize the Software. Company reserves the right to charge Company’s then-current time and materials rate to assist any user seeking assistance regarding basic background information or other matters not directly relating to the operation of the Software. Licensee acknowledges and agrees that: (a) the Software is designed and tested with the system requirements described at <https://helpcenter.issuetrak.com/home/2332-issuetrak-system-requirements> (the “**System Requirements**”) and (b) Licensee is responsible for ensuring that it maintains the (i) the Approved Configurations and (ii) a proper environment and proper utilities for the computer system on which the Software will operate. Company may update, augment or change System Requirements at any time in conjunction with product development, removal of end of life platforms or as deemed necessary for proper operation of the Software.

2. Support and Maintenance. Company will provide annual maintenance and support services for the Software (“**Maintenance and Support Services**” as described in Exhibit A attached hereto (the “**Maintenance and Support Terms**”). Maintenance and Support Services shall be provided on an annual basis subject to Licensee’s payment of the applicable maintenance and support fees set forth in the Quote (“**Maintenance Fees**”). The first year of Maintenance and Support Services commences on the date set forth in the Quote (the “**Effective Date**”) and continues for a period of one (1) year. On each anniversary of the Effective Date, the Maintenance and Support Services shall automatically renew for a successive one (1)-year term unless a party provides to the other party written notice of its intent to terminate Maintenance and Support Services at least thirty (30) days. If Licensee fails to pay Maintenance Fees when due, Company will have the right to terminate all Maintenance and Support Services unless Licensee cures such failure within thirty (30) days of the date Company provides notice of such payment failure. Such termination rights will not limit any of Company’s other rights or remedies with respect to such payment failure. Company will have the right to modify the Maintenance and Support Terms, effective upon thirty (30) days’ notice. If such changes would reasonably be expected to materially adversely affect Licensee, Licensee will have the right to terminate Maintenance and Support Services by providing Company with notice within thirty (30) days of receipt of Company’s notice describing such changes and Licensee will receive a pro-rata refund of pre-paid Maintenance Fees.

3. Fees and Payment. For the license of Software and provision of Professional Services and Maintenance and Support Services, Licensee will pay Company the applicable fees set forth in the Quote and SOW (if any). Such fees shall be due and payable as set forth in the Quote or applicable SOW. All payments shall be made by wire transfer to an account designated by Company or by check drawn on a U.S. depository institution. Any payments not made when due shall accrue interest from the date due until the date paid at twelve percent (12%) per annum or, if less, the maximum per annum rate permitted by law. Company may change fees at any time upon not less than sixty (60) days prior written notice to Licensee.

4. Term; Termination; Breach.

(i) Perpetual License. If the Quote indicates that the license granted hereunder is perpetual, then the term of this Agreement shall commence on the Effective Date and shall continue

until this Agreement is terminated pursuant to this Section 4 or Section 8(a).

Thereafter, this Agreement shall automatically renew for successive one (1)-year terms (each, a “**Renewal Term**”) unless either party provides written notice of its intent to terminate to the other party at least thirty (30) days prior to the end of the then-current Initial Term or Renewal Term. The Initial Term and all Renewal Terms shall be referred to as the “**Term**.”

(b) Termination for Breach. Should either party commit a material breach of its obligations hereunder, the other party may, at its option, terminate this Agreement upon not less than thirty (30) days’ written notice of termination, which notice shall identify and describe the basis for such termination. If, prior to expiration of such period, the breaching party cures such breach, termination shall not take place

(c) Termination Upon Insolvency. Either party may, at its option and without notice, terminate this Agreement, effective immediately, should the other party: (1) admit in writing its inability to pay its debts generally as they become due; (2) make a general assignment for the benefit of creditors; (3) institute proceedings to be adjudicated a voluntary bankrupt, or consent to the filing of a petition of bankruptcy against it; (4) be adjudicated by a court of competent jurisdiction as being bankrupt or insolvent; (5) seek reorganization under any bankruptcy act, or consent to the filing of a petition seeking such reorganization; or (6) have a decree entered against it by a court of competent jurisdiction appointing a receiver, liquidator, trustee, or assignee in bankruptcy or in insolvency covering all or substantially all of such party’s property or providing for the liquidation of such party’s property or business affairs.

(d) Effect of Termination. Upon termination or expiration of this Agreement, amounts owed to Company hereunder before such termination or expiration will be immediately due and payable, all license rights granted hereunder will immediately terminate, and Licensee will immediately discontinue all use of the Software, erase all copies of the Software from computers on which it installed Software, and destroy all copies of the Software in Licensee’s possession or control and certify in writing to Company that it has fully complied with these requirements. Sections 4, 5, 6, 7, 8, 10, and 11 shall survive termination or expiration of this Agreement.

5. Confidentiality and Restrictive Covenant.

(a) Confidentiality. Each party agrees, except (i) as required as part of the performance of this Agreement or (ii) as permitted pursuant to any other agreement between the parties: (a) not to disclose any Confidential Information (as defined below) belonging to the other party to any person (other than on a need to know basis to such directors, employees, or other persons engaged in activities required for the performance of the obligations set out in this Agreement who have entered legally binding written obligations at least as protective as those set out in this Section 5); (b) not to use any Confidential Information belonging to the other party for any purpose other than in accordance with this Agreement; (c) to take all reasonable steps necessary to prevent the unauthorized disclosure and/or use of any Confidential Information belonging to the other party; and (d) to notify the other party promptly in writing in the event that a party becomes aware of an unauthorized disclosure of Confidential Information of the other party.

6. Proprietary Rights. Except as expressly set forth herein, Company (and its licensors, where applicable) owns all intellectual property rights relating to the Software. If, in the course of performing under this Agreement, Licensee provides Company with any written comments, suggestions, or feedback regarding the Software, (“**Feedback**”), Licensee hereby grants Company a non-exclusive, perpetual and irrevocable, worldwide, royalty-free license to use and disclose the Feedback in any manner Company chooses and, directly or indirectly through third parties, to display, perform, copy, have copied, make, have made, use, sell, offer to sell, and otherwise dispose of Company’s products and services

(including any improvements or modifications thereof) embodying the Feedback in any manner and via any media the Company chooses, but without reference to Licensee as the source of the Feedback. This Agreement is not a sale and does not convey to Licensee any rights of ownership in or related to the Software or any intellectual property rights.

7. Indemnification.

(a) Company Indemnification. Company will indemnify, defend and hold harmless Licensee from and against all losses, expenses, costs, damages and liabilities, including reasonable attorneys’ fees, which are incurred by Licensee as a result of or related to any third party action or claim against Licensee alleging that the Software infringes any copyrights, patents or misappropriates any trade secrets recognized as such under the Uniform Trade Secret Act, and Company, provided that Licensee: (a) notifies Company promptly in writing of such action, (b) gives Company sole control of the defense thereof and any related settlement negotiations, and (c) cooperates with Company and, at Company’s request and expense, assists in such defense. If the Software becomes, or in Company’s opinion is likely to become, the subject of an infringement claim, Company may, at its option, either: (1) procure for Licensee the right to continue using the Software, (2) replace or modify the Software so that it becomes non-infringing while maintaining all material features and functionality, or (3) accept return of the Software, terminate this Agreement, and give Licensee a refund of the license fees paid by Licensee, adjusted pro rata, for the period of time Licensee does not have use of the software. Company will have no obligation under this Section 7(a) or otherwise with respect to any infringement claim based on: (A) use of the Software not in accordance with this Agreement, (B) use of the Software in combination with other products, equipment, software, or data not supplied by Company if such infringement would not have occurred but for such combination, (C) use of any release of the Software other than the most current release made available to Licensee, or (D) modification of the Software by any person other than Company if such infringement would not have occurred but for such modification. THIS SECTION 7(a) STATES COMPANY’S ENTIRE LIABILITY AND LICENSEE’S SOLE AND EXCLUSIVE REMEDY FOR ANY INFRINGEMENT ACTION.

(b) Licensee Indemnification. Licensee shall indemnify, defend and hold harmless Company and its directors, officers, employees and agents from and against any and all liabilities, damages, costs expenses and losses, resulting or arising from or in connection with Licensee’s use of the Software (excluding those

Losses for which Company is responsible under Section 7(a)).

8. Warranty; Disclaimer; Limitation of Liability.

(a) For ninety (90) days following the Effective Date (the “**Software Warranty Period**”), Company warrants that the Software, when used as permitted under this Agreement and in accordance with the Documentation, will operate without defects, bugs or errors and in accordance with the Documentation. Company will, as its sole obligation and Licensee’s exclusive remedy for any breach of this warranty reported to Company during the Software Warranty Period, use commercially reasonable efforts to correct any such nonconformities reported to Company by Licensee in writing during the Software Warranty Period, or, if the nonconformity is not so corrected within thirty (30) days, Company will refund to Licensee all license fees paid for licensing the Software and this Agreement will terminate. The warranty set forth in this Section 8(a) shall not apply to any nonconformity in the Software caused by (i) use of the Software not in accordance with this Agreement, (ii) use of the Software in combination with other products, equipment, software, or data not supplied by Company or (iii) modification of the Software by any person other than Company.

(b) Company warrants that the Professional Services and Maintenance and Support Services (collectively, the “**Services**”) will be performed in a professional and workmanlike manner. If Licensee notifies Company of a breach of the foregoing warranty within thirty (30) days following the performance of any Service (the “**Services Warranty Period**”), then Company will, at its own expense and as its sole obligation and as Licensee’s exclusive remedy, use commercially reasonable efforts to reperform the Service in a conforming manner, or if Company determines that it is unable to reperform the Service in a conforming manner, then Company will refund to Licensee the fees paid for the nonconforming Service(s).

(c) Disclaimer. FURTHER, COMPANY DOES NOT WARRANT RESULTS OF USE OR THAT THE SOFTWARE IS BUG FREE.

(d) Limitation of Liability. NEITHER COMPANY OR LICENSEE WILL HAVE ANY LIABILITY TO THE OTHER FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT OR SPECIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE USE OR PERFORMANCE OF THE SOFTWARE, INCLUDING FOR LOSS OF PROFITS, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION APPLIES REGARDLESS OF WHETHER SUCH CLAIM IS BASED ON TORT, CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY OR ANY OTHER THEORY. WITH RESPECT TO CLAIMS RELATED TO TH SOFTWARE OR THE PERFORMANCE THEREOF, IN NO EVENT WILL COMPANY BE LIABLE FOR ANY CLAIMS IN AN AGGREGATE AMOUNT EXCEEDING THE LICENSE FEES PAID BY LICENSEE TO COMPANY UNDER THIS AGREEMENT DURING THE TWELVE (12)-MONTH PERIOD IMMEDIATELY PRECEDING THE DATE OF THE INITIAL CLAIM.

WITH RESPECT TO CLAIMS RELATED TO THE SERVICES OR DELIVERABLES, IN NO EVENT WILL COMPANY BE LIABLE FOR ANY CLAIMS IN AN AGGREGATE AMOUNT EXCEEDING THE FEES PAID BY LICENSEE TO COMPANY UNDER THE APPLICABLE STATEMENT OF WORK FOR THE SERVICES OR DELIVERABLES RENDERED.

THE FOREGOING LIMITATIONS AND EXCLUSIONS IN THIS SECTION 8(D) SHALL NOT APPLY TO BREACHES OF SECTION 5 OR LIMIT A PARTY’S INDEMNIFICATION OBLIGATIONS UNDER SECTION 7.

9. Identification. During the Term of this Agreement and subject to Licensee’s prior written consent, Company shall be permitted to use Licensee’s name on its website and in marketing materials to indicate that Licensee is a customer of Company.

10. Miscellaneous.

(a) Force Majeure. Neither party shall be liable or deemed in default for any delay or failure in performance hereunder (other than for payment of monies owed) resulting from any cause beyond its reasonable control.

in the state and federal courts located in Virginia Beach, Virginia.

(c) Assignment. Licensee may not assign this Agreement without the prior written consent of Company, which it may withhold in its sole discretion. No assignment shall relieve Licensee of its obligations under this Agreement. Any prohibited assignment is void. Any merger in which Licensee is not a surviving entity, shall be considered to affect an assignment for purposes of this paragraph.

(d) Invalidity. If any parts or part of this Agreement are held to be invalid, the remaining parts of the Agreement will continue to be valid and enforceable.

(e) Waiver. The failure to enforce any right or provision herein shall not constitute a waiver of that right or provision. Any waiver of a breach of a provision shall not constitute a waiver of any subsequent breach of that provision.

(f) Entire Agreement. This Agreement (including all Exhibits) contains the complete understanding of the parties with respect to the subject matter hereof and supersedes any prior written or oral agreements regarding such subject matter. In making this Agreement, neither party relies on any promise, action or statement made by the other party, other than those contained in this Agreement and its exhibits. In the event of a conflict between the provisions of the

exhibits to this Agreement and the provisions of this Agreement itself, the conflicting provision of the Agreement shall control over the language in the exhibit, unless otherwise agreed by the parties or otherwise explicitly stated in the Exhibit that the Exhibit shall control.

(g) Amendment. No amendment, waiver, alteration or modification of any of the provisions of this Agreement will be binding unless it is in writing and signed by a duly authorized representative of each party.

All notices shall be given (i) by delivery in person (ii) by a nationally recognized next day courier service (e.g., FedEx, etc.), (iii) by first class, registered or certified mail, postage prepaid, return receipt requested or (iv) by electronic mail to the address of the party specified in the Quote, provided that there is confirmation of receipt by the recipient of the electronic mail. MAINTENANCE AND SUPPORT TERMS

MAINTENANCE PLUS (UPGRADES, PRODUCT SUPPORT, TRAINING)

During the first year of the Term, Company will provide "Maintenance Plus" (as described in these Maintenance and Support Terms) to Licensee for the Maintenance Plus Fee set forth in the Quote. Thereafter, during the Term Company will provide Maintenance Plus to Licensee upon Licensee's (a) prior written request and (b) advance payment of the annual Maintenance Plus Fee set forth in the Quote, as such fee may be changed by Company from time to time. The terms and conditions governing Company's provision of Maintenance Plus hereunder are set forth in these Maintenance and Support Terms as well as in the body of this Agreement. Licensee acknowledges and agrees that the provision of Maintenance Plus as described these Maintenance and Support Terms will be effective during the first year of the Term but not thereafter unless Licensee purchases Maintenance Plus as provided herein and then only for the period(s) covered by any such purchase(s) (the "**Additional Maintenance Plus Period**"). If any terms or conditions of the Maintenance and Support Terms conflict with any terms or conditions of the main body of this Agreement, the terms and conditions of the main body of the Agreement will govern.

1. **Technical Support.** During the first year of the Term and the Additional Maintenance Plus Period (if any), Company will accept requests related to Issuetrak Software via telephone, electronic mail, or the Issuetrak Support site twenty-four (24) hours per day, seven (7) days a week. Company will provide technical support staff during the hours of 8:00 a.m. to 8:00 p.m. Eastern Time, Monday through Friday, excluding U.S. Federal and/or Company holidays. Company may employ a Third-Party answering service, as needed, during any time in which technical support staff is not available. Outside normal business hours, during the Term, Company will use reasonable efforts to provide technical support for any problem related to the Issuetrak Software or Company's equipment that renders unusable the Company Software available to Licensee ("**EMERGENCY**"). After-hours EMERGENCY support shall be provided only by telephone and only to the extent that Company has technicians available during such times. Severity of the EMERGENCY will be determined by the Company support staff in conjunction with the Licensee. Under EMERGENCY conditions, Company may opt to follow the quickest path to resolution in order to restore services as quickly as possible, including, but not limited to, rolling back executed changes that inflicted the EMERGENCY. Licensee acknowledges and agrees that to ensure accurate issue logs and to facilitate the creation of a "lessons-learned" database that can help speed recovery from future incidents requiring Company's support, Company may monitor and track all support-related requests and monitor and record all support-related telephone calls and electronic mail.

Issuetrak Maintenance Plus coverage does not include customization, Issuetrak Software that has been modified or altered by Licensee or a third party, software not covered by this Agreement, on-site support, support of hardware and related equipment, supplies, or training except as expressly provided for in this Agreement.

2. **Reporting and Resolution Procedures.** Company will address and attempt to correct any EMERGENCY and within a reasonable time after Licensee reports the EMERGENCY to Company, as follows:

- (a) **Problem Reporting:** Upon discovering an EMERGENCY, Licensee will report the EMERGENCY to Company by opening an issue in Company's support website or, if that option is unavailable, by placing a telephone call to Company's support desk or sending electronic mail to Company (regardless of which of the foregoing reporting methods is used, each such report a "**Service Request**").
- (b) **Emergency Problem Reporting:** Upon discovering an EMERGENCY, Licensee will report the EMERGENCY to Company by placing a telephone call to Company's support desk (an "**Emergency Service Request**").
- (c) **Normal Support:** During normal support hours, Company will provide telephone and/or electronic mail support in the form of consultations, assistance, and advice concerning use of Issuetrak Software and correction of the EMERGENCY (collectively, "**Service Desk Support**") within four (4) hours after receiving a Service Request or Emergency Service Request, as the case may be.

- (d) **After-Hours Support:** After normal support hours, Company will provide Service Desk Support for EMERGENCIES within (4) hours if it receives the applicable Service Request through a telephone call to Company's support desk.
- (e) **Resolution:** If an EMERGENCY is not corrected within forty eight (48) hours after Company receives a Service Request or Emergency Service Request, Company may conduct tests and analyses at Company's facility designed to reproduce, isolate and correct the EMERGENCY using data and information provided to Company by Licensee.

3. **Software Releases.** During the first year of the Term and during and the Additional Maintenance Plus Period (if any), Licensee will receive at no additional charge all Updates to the relevant Issuetrak Software in the form of Major, Minor, and Patch Releases (as defined below), provided that Company reserve the right to charge for any rewrites or other complete overhauls of Issuetrak Software that go beyond the scope of a standard Release. Licensee's use of a Release with or in place of the relevant Issuetrak Software application will be governed by and subject to the terms and conditions of this Agreement. Licensee agrees promptly to install each Release supplied by Company and to destroy or return to Company any portion of the relevant Issuetrak Software application(s) replaced or modified by a Release.

Major, Minor, and Patch Release versions are identified by a release version number consisting of a sequence of three numbers separated by a dot (“.”). The first number in the sequence identifies a Major Release where dramatic or substantial changes to the Software are included. The second number identifies a Minor Release when a few new features are included but are not substantial enough to be considered a Major Release. The third number in the sequence is a Patch Release which includes fixes to issues, but no new features.

4. **Licensee Contacts.** Licensee will designate one person as its primary point of contact and another person as its secondary point of contact for Company hereunder. Those two persons will be the only persons with whom Company is obligated to communicate with respect to Maintenance Plus hereunder, and Company may, at its sole option, communicate with such persons by telephone, electronic mail (including without limitation electronic mail sent through Company's website[s]), or facsimile.

5. **Access to Software and System(s).** Solely to enable Company to perform its obligations under this Agreement, Licensee will (a) give Company reasonable access to (i) the Issuetrak Software licensed hereunder, (ii) the system(s) in connection with which that Issuetrak Software is used, (iii) all Documentation and (iv) all other relevant documents in Licensee's possession or control, which are related to the applicable EMERGENCY, and (b) provide to Company any and all such technical consultation and/or other assistance that Company may reasonably request.

6. **Customized, Altered, or Modified Software.** Company, at its sole option, will use good faith efforts to support Licensee with respect to any customization, alteration, or modification of relevant Issuetrak Software that is performed by or on behalf of Licensee, but Licensee acknowledges and agrees that Company (a) has no obligation to do so and (b) cannot and does not guarantee any results with respect to any such support that Company chooses, in its sole discretion, to provide with respect to such customized Issuetrak Software. Company reserves the right to charge Licensee, at Company's then-current hourly rates, for any support that Company provides with respect to customized Issuetrak Software and to require that Licensee pay in advance (or, at Company's sole option, reimburse Company for) any costs, fees, or expenses, including without limitation travel expenses, that Company reasonably incurs in connection with providing such support.
