Online Voting – 2.4.8

StrataMax has been dedicated to meeting the needs of Strata Managers for over 30 years through the continual enhancement of our software suite. We are committed to providing new functionality to support you in servicing your clients and to provide opportunities for you to optimize efficiency within your office environment.

This document describes exciting new features and enhancements available in the above release.

A history of Release Notes can be reviewed on the StrataMax Online Help

THE COMPLETE STRATA MANAGEMENT SOLUTION

What's Better

• The generated resolution body (preview) on the 'Motion Details' page is now recognising the word 'that' if it begins with a lowercase in the motion details body section.

	P 4 WORDS & Resolution Body	

- A Meeting can now be commenced using the 'Proceed' button on the 'Commence Meeting' page, when an attendee with a voting method of 'Voting Paper' has no recorded votes.
- Enhancements have been made to the template groups section on the 'Motion Details' page to allow the template group that is currently selected to be easily identified.

Add		Notice Minut	tes Adjourned Minutes
