

Online Application- E-Signature Decline Statement

Updated 23-24 school year

Decline statements provide the parent/guardian information to follow when they have declined to set up an Electronic Signature or they have declined to enter their PIN at the end of the application process. Any additional communication to the parent/guardian should be added in the decline statements below.

The decline statement alerts the parent/guardian when they choose to the decline to provide an Electronic Signature. This only displays if E-Signature is setup for your district and the parent/guardian chooses to decline. Any additional communication to the parent/guardian should be added in the decline statement below.

Electronic Signature Decline Statement- REVISED

You have decided not to use your Electronic Signature. Your information is no longer available. You will need to restart the Meal Benefits Application if you choose to apply again at another time.

If you would like to manually fill out a paper application for Meal Benefits, [insert instructions to parent here].
