

Path to Agility[®]

VERSION 2

Align

The Agile initiative is aligned with measurable business outcomes and a clear transformation roadmap is defined.

Learn

Foundational agile practices are implemented, teams are taking ownership of value delivery and a learning culture is established.

Predict

Teams are able to maintain a predictable cadence of delivery enabling the business to make informed business decisions.

Accelerate

The full value stream is optimized to shorten time-to-market.

Adapt

The whole organization has embraced agility in order to respond quickly to market demands.
