InteliChart Release Notes
Version 3.5.24

InteliChart Version 3.5.24

On Friday, **August 18, 2023**, your InteliChart Patient Portal environment will be upgraded to version 3.5.24. The portal will be unavailable between 9:00 pm EDT to 9:00 am EDT the following morning. Please be aware, the InteliChart Patient Portal may be unavailable intermittently during the weekend to complete validation of the portal upgrade and additional work.

Enhancements - Practice Portal

Add Patient registration column to Patient Message report
 	
Practice Portal > Reports > Canned Reports > Patient Messages
	As a user pulling the Patient message reports in the Practice portal, you can now add a new column to identify patient's registration status (if they are self-registered or pin registered):
	● Added column to **Patient Messages** report
	● Column name: **Registration Type**
	● Registration statuses populated:
	   ○ **Registered**
	   ○ **Self Registered**
	   ○ **Not Registered**

New Audit Log Entries
 	
Practice Portal > Reports > Audit Report
	There are three new Audit Log entries:
	● **Pin Sent to Patient**:
	   ○ **Event Type**: PinSent
	   ○ **Date/Time**: Date and Time of view in [MM/DD/YYYY HH:MM AM/PM] format.
	   ○ **Actor**: Who sent the pin
	   ○ **Impacted Patient/User**: Patient that was sent the pin
	   ○ **Details**: "New Pin sent"
	● **Patient Disabled**:
	   ○ **Event Type**: PatientDisabled
	   ○ **Date/Time**: Date and Time of view in [MM/DD/YYYY HH:MM AM/PM] format.
	   ○ **Actor**: Who disabled the patient
	   ○ **Impacted Patient/User**: Patient that was disabled
	   ○ **Details**: "Patient Disabled"
	● **Patient Enabled**:
	   ○ **Name**: PatientEnabled
	   ○ **Date/Time**: Date and Time of view in [MM/DD/YYYY HH:MM AM/PM] format.
	   ○ **Actor**: Who enabled the patient
	   ○ **Impacted Patient/User**: Patient that was enabled
	   ○ **Details**: "Patient Enabled"

Enhancements - Patient Portal

General

- Continued this release with ongoing efforts to enhance the user experience with better screens, appropriate back arrows and close buttons, and other user-friendly navigation tools.
- Continued efforts to update the Patient Portal to be in compliance with AAA Accessibility standards according to WCAG (Web Content Accessibility Guidelines)
- Continuous Spanish translations throughout the products
