The Chinese University of Hong Kong Video Danmu Exercise

**Assignment 1** 1199000011

The opening in The Hours presents the lives of three women from three different locations and eras. Comment on the use of film elements (e.g., mise-en-scene, cinematography, and editing) in the opening scene using the Danmu (bullet screen) tool.  
Think about danmu as 眉批.  
Leave short comments timely so that the comment can show up immediately on screen. (For example, you can respond by saying “agree”, “well said” or “but...”) Word limit of 50. If you have a long comment, you can divide it into several short comments. (Be mindful of the time delay).
