What's New

1. Motion outcomes are shown on motion number buttons.

The In-Meeting Management page in Meeting Hub has been enhanced to show the outcome of a motion on the motion number buttons.

The colours of the motion number buttons will indicate the status of that motion;

- A motion that has not been resolved will continue to be light grey.
- A motion that has been passed (carried or qualifying) will be green.
- A motion that has been defeated will be red.
- A motion that has been withdrawn will be struck through.
- A motion that is in focus will continue to be solid blue with a grey border.

2. Standard Meetings can be copied.

A new 'Copy Meeting' button has been introduced on the Standard Meeting Details page in Meeting Hub which when selected will copy the standard meeting and all its agenda items and motions.
