What's New

What's New

## 1.   New indicator showing the number of votes received.

A Visual indicator has been added in the Active section of the 'Meetings' page in Meeting Hub, to show whether the required number of votes have been received for the ballot only meeting.

The indicator will appear grey when votes are still pending and green when all votes have been cast. A tool tip will appear if hovering over the indicator showing the number of votes received to date as compared to the number of expected votes.

2.   Search functionality added to 'Submitted By' details.

New functionality has been added to the 'Motion Details' page in Meeting Hub to allow the 'Submitted By' details to be automatically populated via selecting a lot owner from a dropdown list.

On selection from the list:

Please Note: The 'Submitted By Name' field can still be manually overwritten.
