

# Save OFMD Wholesale Terms

Thank you for selling your goods through Save OFMD (SOFMD). We're excited to have your products in our store. This agreement authorizes SOFMD to market and sell your work and tells you the terms, expectations, and other helpful information.

## **1. Minimum Order Value**

- a. All monetary values are listed in USD.
- b. We will never place an order less than \$75. A first order will likely be a sampling of products to see what sells on our site.

## **2. How We'll Order**

- a. SOFMD will email you an invoice to the email provided on this document.
- b. We will include a shipping cost of \$5 per \$75 of product unless this agreement is otherwise amended.

## **3. MSRP**

- a. SOFMD will sell your items at the manufacturer's suggested retail price (MSRP). In the event that we put your items on sale, we will never discount them more than 15% unless this agreement is otherwise amended.
- b. If demand is high for a particular item, SOFMD reserves the right to increase the price. We will inform you of this change prior to making it and encourage you to match the price on your own website.

## **4. Wholesale Pricing**

- a. By entering this agreement, you recognize that you're supporting SOFMD and are receiving a less-than-market cut as part of this support. We do not ask for exclusive right to sell, but we do ask that you do not sell products purchased by SOFMD at a lower price elsewhere. Making a lower profit on these items than on your personal sales channel is part of your contribution to SOFMD's cause.
- b. You will receive 30% of the MSRP on any items.

## **5. Returns**

- a. We reserve the right to return items after 6 months. SOFMD will email you a return inventory prior to shipping, and is responsible for return shipping costs.

- b. If any returned item is deemed “unsuitable,” visual evidence is required within 48 hours of receipt for the item to be removed from the invoice.
- c. Payment for returns is expected within 10 business days of receipt of return.

**6. Payments**

- a. All payments will occur through SOFMD’s PayPal account.
- b. SOFMD will pay for the first order from you at time of order. Subsequent orders will occur with Net 30 terms (we will pay within 30 days of receiving the order).
