Summary

This entity represents the physical space where students gather for a particular class/section. The location may be an indoor or outdoor area designated for the purpose of meeting the educational needs of students.

Required Resources (Upstream)

The following resources must be sent prior to this resource:

- Local Education Agencies (Pre-populated)
 - Schools (Pre-populated)
-

Dependent Resources (Downstream)

The following resources are dependent on this resource (must be sent after this resource):

- Student Program Associations
- Student Homeless Program Associations
- Student Language Instruction Program Associations
- Student School Food Service Program Associations
- Student Special Education Program Associations

Error Log

The following are potential Tier 1 (Ed-Fi API generated) or custom (Campus generated) errors you may receive when posting, updating, or deleting this resource. Please keep in mind that the "Error Message" below may not match your exact error message.

Appendix

Programs offered by a specific District or School should be set-up as a Flag or Program within Campus. They will follow the reporting logic of the "Academic Programs / Flags / Graduation Programs / Programs" section above. These programs should only be mapped to the following descriptor codes:

Ed-Fi Code Value	Ed-Fi Code Name
04D	Before/After School
04E	Saturday/Weekend Program
04F	Summer
04A	Extended Day

04B	Extended Week
04C	Extended Year
05A	Before/After School
05B	During School
05C	Saturday Program
05D	Intercession
05E	Summer
