

Instant access to your
child's health information —
Anytime. Anywhere.

Here's what you'll get in our new patient portal

Appointments

View and request appointments, complete pre-visit screening surveys, and view post-visit patient handouts.

Messaging

Send us secure messages and receive our responses in your portal account.

Health Record

View your child's vaccine records, growth charts, visit notes, and lab results all in one convenient place.

Medications

Request refills and view your child's medication history.

Forms

Request and receive forms needed for school, camp, and sports.

Bill Pay

Make a payment for your family's statement balance.
