

Global Leadership Checklist

- Update CV (Resume)
- Check your network to ask who has worked globally
- Double your network
- Research different job options available
- Connect with destination country and connections living there
- Totally plan your move: what you really need
- Understand the main barriers (e.g. cars, license, schools)
- Book a holiday before you move
- Research Tax implications of working overseas
- Communicate your career path with line manager
- Leave no loose ends with the country you are leaving
- How could your organisation help
- Use talent Portal
- Talk to people who have moved before to that country
- Remain flexible
