## Contributions

Maximum of 3 children charged for

This benefit includes cover for hospitalisation and certain specialised procedures/treatment. There is no overall annual limit on hospitalisation. Associated specialists are covered in full, while other specialists are covered up to 300% of the Momentum Medical Scheme Rate. Hospital accounts are covered in full at the rate agreed upon with the hospital group. Under the hospitalisation benefit, hospital accounts and related costs incurred in hospital (from admission to discharge) are covered – provided treatment has been pre- authorised.

Specialised procedures/treatment do not necessarily require admission to hospital and are included in the Major Medical Benefit – provided that the treatment is clinically appropriate and has been authorised. If pre-authorisation is not obtained, a 30% co-payment will apply on all accounts related to the event and the Scheme would be responsible for 70% of the negotiated tariff, provided authorisation would have been granted according to the Rules of the Scheme. In the case of an emergency, you or someone in your family or a friend must obtain authorisation within 72 hours of admittance.

### Chronic Benefit

The Chronic Benefit covers certain life-threatening conditions that need ongoing treatment. You have the freedom of choice to get your chronic prescription and medication from any provider, subject to a comprehensive formulary. If you choose to get your medication from outside the formulary, a co-payment of the cost difference between the selected item and the formulary price is payable. There is no annual limit for chronic cover for the 26 conditions according to the Chronic Disease List, which forms part of the Prescribed Minimum Benefits. An additional 36 conditions are covered subject to the overall day-to-day limit of R33 000 per beneficiary (this is a combined limit incorporating both day-to-day cover and cover for the 36 additional chronic conditions). Chronic benefits are subject to registration on the Chronic Management Programme and approval by the Scheme.

### The Day-to-day Benefit

This benefit provides for day-to-day medical expenses, such as GP visits and prescribed medicine, and is paid from the risk benefit. The benefits are subject to an overall day-to-day limit of R33 000 per beneficiary and certain sub-limits apply. (The overall day-to-day limit of R33 000 is a combined limit incorporating both day-to-day cover and cover for the 36 additional chronic conditions).

### The Health Platform Benefit

Health Platform Benefits are paid by the Scheme up to a maximum rand amount per benefit, provided you notify us before using certain benefits. This unique benefit encourages health awareness, enhances the quality of life and gives peace of mind through:

- preventative care and early detection;
- maternity programme; and
- health education and advice.
