# NORTHERN VIRGINIA REGIONAL COMMISSION

## Community, Military & Federal Facility Partnership

### Goals

- Grow and protect military activities in the region and remove impediments to operations
- Improve operational efficiencies with installations through full range of partnerships, including Intergovernmental Support Agreements (IGSA)
- Improve resiliency of installations and surrounding communities
- Enhance the quality of life for all members of the military and community, including Grants: Military Installation Resiliency Review (MIRR).
- Achieve the Installation of the Future with the military in the region through Readiness and Environmental Protection Integration (REPI)
