Notes to understanding the Detailed claims statement

1. The Payment Information columns reflect any payments made per claim transaction to the supplier or to you, as well as any amounts due by you to the Scheme.
2. The Benefit Information columns show which benefit the claim transaction was paid from, as follows:
 - 2.1 The Major Medical Benefit, which covers in-hospital and certain procedures claims, subject to authorisation.
 - 2.2 The Medical Savings Account (PMSA) covers day-to-day claims from your available Savings.
 - 2.3 HealthSaver account – this is a voluntary account that you can use to pay for medical expenses which are not covered by your option. All transactions in this column will also reflect on your separate HealthSaver statement, which is compiled on the 1st of every month (see 2.3.1).
 - 2.4 Chronic Medicine Benefit – this benefit covers registered and approved chronic medication and treatment.
3. The Pay Code column reflects the specific pay code applicable to the claims transaction, and an explanation of the pay code is provided in 3.1.
4. The relevant healthcare provider's practice name and number for the claims transactions listed beneath the line.

5. The total amount paid from your Medical Savings account (PMSA) for the claims transactions listed (this amount will also be reflected under Note 10 on the Summary claims statement).
6. This HealthSaver total will be the same as the total in Note 7 on the HealthSaver statement.
