- The list is based on the information available at time of publishing. The Department of Health routinely updates these child vaccine lists. For the latest information regarding child vaccines, please visit their [website](#).
- On the Ingwe Option, if you choose Ingwe Network hospitals or Any hospital, Health Platform Benefits are only available from your chosen Primary Care Network provider, except for health assessments, maternity programme benefits and baby immunisations, which are available at any healthcare provider.
- On all other options you may use any healthcare provider applicable to your option and Health Platform Benefits are paid by the Scheme up to a maximum rand amount per benefit.
- Scheme Rules apply to Health Platform Benefits. Some of these benefits are option and age specific. Visit momentummedicalscheme.co.za for more information about Health Platform benefits.
