Table of Contents

Summary

This educational entity represents a setting in which organized instruction of course content is provided to one or more students for a given period of time. A course may be offered to more than one class/section. Instruction, provided by one or more teachers or other staff members, may be delivered in person or via a different medium.

Object Triggering Logic

Action	Business Rule(s)

Post	When a section is created **OR** When a Section Student Detail record is created with a Course State Code Override that is different than the associated course's State Code.
	
	• Do not report a record if the any of the following exclusions are present:
	  ○ Course is inactive (Active is unchecked)
	  ○ Course State Exclude
	  ○ Course State Code is NULL
	  ○ Calendar Exclude
	  ○ School Exclude
	• The section must be scheduled into a term/period (Section Placement) to report.
	• A record will be posted for each unique term the section is scheduled in.
	• Section records will exist for **BOTH** the original and override state codes (if entered).
