 - [Extract Editor Requirements](#)

Version Control

Version	Date	Author(s)	Brief Description of Change
v1.0	6/23/25	Bradley Griffiths	Report Creation
v1.1	8/19/25	Bradley Griffiths	Report documentation updates

Summary

This report will be used by districts to report all students who have a verified dropout record within the current or prior school year based on the calendar selector of the extract editor.

Due Dates

Early November

Functional Requirements

Reporting Population and Business Rules

Requirement
Report current enrollment
Enrollment must be for the current active school year
Admission Status = MST1 or MED1
Student Information > State Programs > Dropout: Verified Dropout = checked
The report can be run against a district's active year as well as any prior year.
The report can be run in District Edition
The report will be generated in CSV format as well as a human-readable format (HTML)
