Transforming K12 Education®

Summary

Participating school units shall report all the following to NCDPI by October 15, 2025:

- The number of students offered first priority enrollment in the Program and the total number of students that enrolled in the Program.
- The attendance record of enrolled students.
- Results of the assessments given to students at the beginning and conclusion of the program.
- The number of students who progressed to the next grade level and the number of students who were retained in the same grade level after participating in the program.

The Department of Public Instruction shall report to the Joint Legislative Education Oversight Committee on the implementation of this act and all the information required in this section by January 15, 2026. The report will include:

- Implementation of the School Extension Learning Recovery Program.
- The information required to be reported by participating school units.
- A copy of each Program plan submitted, including any changes recommended by the Department, the reason the change was recommended, and whether the recommendation was followed.
- Any other data or information the Department deems relevant.

Due Dates

Reporting is due October 15th.

Scope and Purpose

The data collected allows users to detect data issues prior to sending their data to the state.

Transforming K12 Education®

Functional Requirements

Reporting Population and Business Rules

FR #	Requirement
1	The report can be run against a district's active year as well as any prior year.
2	The report can be run at both the District and State Editions.
3	The report will be generated in CSV or HTML format.
4	The file name that is generated will be titled 'NC_HeleneRecoveryParticipationSummary_YYYY', where YYYY will be equal to the year associated with the Summer Education End Date field from the Report Options section of the Extract Editor.
5	The report will generate a Summary report based on student participation the Summer Education program with the following criteria:
5.1	The student has an enrollment within the calendar selected from the Setup section of the Extract Editor.
5.2	The student has a Summer Education program record with a Start Date that occurs BEFORE the Summer School End Date from the Extract Editor, and an End Date that occurs AFTER the Summer School Start Date from the Extract Editor.
5.3	The student has an enrollment in a Summer School calendar that overlaps their Summer Education program record. This Business Rule does not apply to Extract Type = Helene Recovery Declined Participation.
5.4	SummerEducation.educationalProgram EQUALS HLP: Helene Learning Program.
5.5	SummerEducation.parentDeclined EQUALS 0.
5.6	Report one row of data per unique student participation in the Summer Education program regardless of if the student has more than one Summer Education program records that meet the criteria outlined in 5.1 - 5.5.

6	If multiple calendars are selected from the Extract Editor, sort results by: 1. DistrictName 2. PreviousSchoolName 3. GradeCode 4. LastName

Report Data Elements

DE #	Data Element	Business Requirement *Business Rules*	Data Source GUI Path	Database Field	Format
1	StudentStateID	Report the student's State ID. *Report the student's Person.stateID.*	Census > People > Demographics > Student State ID	dbo.Person. stateID	Numeric
2	LastName	Report the student's Last Name as of the time of generating the report extract. *Report Identity.legalLastName from the student's current identity.*	Census > People > Demographics > Last Name	dbo.Identity. legalLastName	Alpha Characters
3	FirstName	Report the student's First Name as of the time of generating the report extract. *Report Identity.legalFirstName from the student's current identity.*	Census > People > Demographics > First Name	dbo.Identity. legalFirstName	Alpha Characters

4	Gender	Report the student's sex as of the time of generating the extract report. *Report the attribute code of Identity.gender from the student's current identity.*	Census > People > Demographics	dbo.Identity. gender	Alpha Characters
5	StateEthnicCode	Report the student's Race/Ethnicity as of the time of generating the extract report. *Report the attribute code of Identity. raceEthnicity from the student's current identity.*	Census > People > Demographics > State Race/Ethnicity	dbo.Identity. raceEthnicity (code of attribute)	Alpha Characters
6	Ethnic Desc	Report the attribute name associated with the student's State Ethnic Code as of the time of pulling the ALPS report. *Report the attribute name of Identity. raceEthnicity as of the time the user is generating the report extract.*	Census > People > Demographics > State Race/Ethnicity	dbo.Identity. raceEthnicity (name of attribute)	Alpha Characters
7	UnofficialPrimaryExcep	Report code associated with the student's EC Code on the ECATs screen. *Report the attribute code of the student's SpecialEdState.primaryDisability as of the time the user is running the report extract.*	Student Information > Special Ed > Exceptional Children (EC) Data Screen > Primary Disability	dbo. SpecialEdState. primaryDisability	Alpha Characters

Transforming K12 Education®

8	DistrictID	Report the district number of the district where the student attended Summer School. *Report District.number that is equal to SummerEducation.districtID of the program record.*	School & District Settings > Districts > District Information > State District Number	dbo.District. number	Numeric
9	DistrictName	Report the name of the district where the student attended Summer School. *Report District.name associated with SummerEducation.districtID of the program record.*	School & District Settings > Districts > District Information > District Name	dbo.District. name	Alphanumeric
10	PreviousEnrollmentSchoolID	Report the school number of the school where the student had a Primary enrollment prior to the Start Date of their Summer Education program record. *Reference the Calculations or Logic section.*	School & District Settings > Schools > School Information > State School Number	dbo.School. number	Numeric (Keep Leading Zeros)

Transforming K12 Education®

11	PreviousEnrollmentSchoolName	Report the name of the school where the student had a Primary enrollment prior to the Start Date of their Summer Education program record. *Report School.name associated with the school identified in Data Element #10: PreviousEnrollmentSchoolID*	School & District Settings > Schools > School Information > School Name	dbo.School.name	Alphanumeric
12	SummerSchoolID	Report the school number of the school where the student attended their Summer School program. *Reference the Calculations or Logic section.*	School & District Settings > Schools > School Information > State School Number	dbo.School.number	Numeric (Keep Leading Zeros)
13	SummerSchoolName	Report the name of the school where the student attended their Summer School program. *Report School.name associated with the school identified in Data Element #12: SummerSchoolID*	School & District Settings > Schools > School Information > School Name	dbo.School.name	Alphanumeric

| 14 | GradeCode | Report the student's grade code as of the Start Date of the students Summer Education program record.

Report the attribute code of Enrollment. grade for the enrollment used to identify Data Element #12: SummerSchoolID | Student Information > General > Enrollments > Grade | dbo.Enrollment. grade | Alphanumeric |

Transforming K12 Education®

Calculations or Logic

DE #	Data Element	Business Requirement	Business Rule
10	PreviousEnrollmentSchoolID	Report the school number of the school where the student had a Primary enrollment prior to the Start Date of their Summer Education program record.	*IF* *Enrollment.serviceType EQUALS Primary AND Enrollment.endDate is BEFORE SummerEducation. startDate* *AND Enrollment.endDate aligns with the enrollment closest to SummerEducation.startDate* *Report School.number of the school aligned with that enrollment*

| 12 | SummerSchoolID | Report the school number of the school where the student attended their Summer School program. | *IF*

The student's Summer Education program record overlaps one of the student's enrollments (SummerEducation.startDate and SummerEducation.endDate)

AND

The student's enrollment is tied to a Calendar WHERE

(Calendar.summerSchool EQUALS 1

AND/OR

Calendar.type EQUALS S:Summer School)

Report School.number of the school aligned with that enrollment |
