Summary

Participating school units shall report all the following to NCDPI by October 15, 2025:

- The number of students offered first priority enrollment in the Program and the total number of students that enrolled in the Program.
- The attendance record of enrolled students.
- Results of the assessments given to students at the beginning and conclusion of the program.
- The number of students who progressed to the next grade level and the number of students who were retained in the same grade level after participating in the program.

The Department of Public Instruction shall report to the Joint Legislative Education Oversight Committee on the implementation of this act and all the information required in this section by January 15, 2026. The report will include:

- Implementation of the School Extension Learning Recovery Program.
- The information required to be reported by participating school units.
- A copy of each Program plan submitted, including any changes recommended by the Department, the reason the change was recommended, and whether the recommendation was followed.
- Any other data or information the Department deems relevant.

Due Dates

Reporting is due October 15th.

Scope and Purpose

The data collected allows users to detect data issues prior to sending their data to the state.

Functional Requirements

Reporting Population and Business Rules

FR #	Requirement
1	The report can be run against a district's active year as well as any prior year.
2	The report can be run at both the District and State Editions.
3	The report will be generated in CSV or HTML format.
4	The file name that is generated will be titled 'NC_HeleneRecoveryDeclinedParticipation_YYYY', where YYYY will be equal to the year associated with the Summer Education End Date field from the Report Options section of the Extract Editor.
5	The report will generate a Declined Participation report based on parent/guardian declining student participation the Summer Education program using the following criteria:
5.1	The student has an enrollment within the calendar selected from the Setup section of the Extract Editor.
5.2	The student has a Summer Education program record with a Start Date that occurs BEFORE the Summer School End Date from the Extract Editor, and an End Date that occurs AFTER the Summer School Start Date from the Extract Editor.
5.3	The student has an enrollment in a Summer School calendar that overlaps their Summer Education program record. This Business Rule does not apply to Extract Type = Helene Recovery Declined Participation.
5.4	SummerEducation.educationalProgram EQUALS HLP: Helene Learning Program.
5.5	SummerEducation.parentDeclined EQUALS 1.
5.6	If a student has more than 1 record that meets the criteria outlined in 5.1 - 5.5, report 1 row of data per unique program record.

6 If multiple calendars are selected from the Extract Editor, sort results by:

1. DistrictName
2. PreviousSchoolName
3. GradeCode
4. LastName
