What's New

1. Commence, resume, and review meetings from the Attendance Register

New buttons have been introduced on the Attendance Register to make it easier to manage meetings based on their status.

Commence Meeting

This button will appear when a meeting has a status of Notice Issued. Selecting it will take you to the Commence Meeting page to start the meeting.

The screenshot shows the 'Meeting Hub' interface. On the left is a sidebar with navigation options: Meetings, Historical Meetings, Standard Motions, Standard Agenda Items, Standard Meetings, Template Groups, and Online Help. The main area is titled 'Attendance Register'. At the top of this area are buttons: Back, Refresh, Download Sign-in Sheet, and Commence Meeting (highlighted with a red box). Below these buttons is a filter bar and a table of attendees. The table has columns: Given Name, Surname, Capacity, Lot, Unit, Attendance Method, Voting Method, Votes, Financial in BCMAX, Financial, and Eligible to Vote. The 'Commence Meeting' button is also visible in the top right corner of the table area.
