

Momentum Medical Scheme and Momentum GapCover⁺

Support your family and add GapCover to your Momentum Medical Scheme so that you can cover shortfalls for in-hospital procedures and other healthcare related expenses not covered by your medical scheme option

Momentum Medical Scheme helps you to pay for your medical expenses, but Momentum also rewards you financially if you are healthy and active.

Momentum GapCover⁺ covers shortfalls for in-hospital procedures, co-payments and other healthcare costs not covered by your medical aid option, starting from R259 per month if you are single and younger than 30.

If there are unexpected healthcare costs whilst you are in hospital, like co-payments, or shortfalls between what the medical scheme pays and what the healthcare provider charges (some charge more than 300% of what medical aids pay), you need to be prepared for any unforeseen costs and make sure that your out-of-pocket expenses don't leave you or your family financially exposed or distressed.

Momentum GapCover⁺ also offers a cancer assist benefit, accidental death and disability benefits, trauma and bereavement counselling, breast reconstruction benefit, robotic procedure shortfall and co-payment benefit, and for that special time, the Baby Bump benefit that pays out a lump sum to you, when you are pregnant. Claims are paid seamlessly, which means that members do not need to submit a claim form when claiming for certain benefits, making it easy and pain free.

Invest in your health

Momentum Medical Scheme's **benefit options** – Ingwe, Evolve, Custom, Incentive, Extender and Summit – offer value for your money and flexibility for you to be able to structure an option that suits your individual needs.

multiply

Look after your health

Protecting your health is an important part of managing your finances. As a **Multiply** and Momentum Medical Scheme member, you'll be rewarded for looking after your health. Members on all options (except Ingwe) can earn HealthReturns⁺ of up to R1 000 per person per month by being active and making healthy lifestyle choices.

*HealthSaver, HealthReturns, Multiply and Hello Doctor are complementary products available from Momentum. *Momentum Medical Scheme members may choose to make use of additional products available from Momentum Group Limited and its subsidiaries as well as Momentum Multiply (herein collectively referred to as Momentum). Momentum is not a medical scheme and is a separate entity to Momentum Medical Scheme. Momentum products are not medical scheme benefits. You may be a member of Momentum Medical Scheme without taking any of the products offered by Momentum.

Give your family's health Momentum

We believe that your health is your wealth, and we can improve your family's health through a healthy and active lifestyle – we're already doing it for more than 155 000 families.
