ISRAEL: RESILIENCE & RENEWAL

JCC Movement Leadership Experience

Since October 7, 2023, the JCC Movement has stood proudly and resolutely in solidarity with the people of Israel.

Join us this summer for the JCC Movement Leadership Experience in Israel, a transformative journey that will bring JCC board members and executives together with JCC Association lay and professional leaders to witness Israel's emergence from a prolonged war into a season of hope, recovery, and renewal. Spouses and partners are welcome to join the group, which will:

- Meet with deeply committed thought leaders, entrepreneurs, and social activists
- Visit inspiring and innovative projects as well as some of the country's lesser-known sites
- Travel with JCC Association's incoming Board Chair Lissie Gottdenker and President and CEO Barak Hermann, together with Board Chair, David Wax and Chair of the Israel Engagement Committee, Kara Bierman, and other JCC friends who care deeply about the JCC world, North America's Jewish community, and Israel
- Celebrate Jewish peoplehood and pride at the opening ceremony of the 22nd Maccabiah Games in Jerusalem
- Enjoy five-star hotel accommodations in Haifa, Tel Aviv, and Jerusalem
