

## ONLINE TRADING

# Take charge of the markets

Invest any amount in the stock market via the Momentum Securities trading platform, trade directly, and be in control of your portfolio.

### Be an empowered investor:

1. You can start investing in the stock market. There is **no minimum amount required** to invest.

2. **Access an online trading platform with portfolio management tools so you can:**

- Stay ahead of market developments;
- Monitor your investment performance;
- Analyse your investments;
- Manage your own stock investments;
- Trade directly both locally and offshore, and
- Receive access to a wide range of shares listed on the JSE, with daily and weekly insights on companies and markets allowing you to make informed decisions.

#### Platform features:

- Superior charting and trading on a single platform.
- Mobile friendly.
- A single view of portfolio: local, offshore, CIS, Derivatives.
- View statements online.

3. **Have back-up:** access to a **highly qualified retail desk** who can execute trades on your behalf and advise on opportunities.

Fulfill your trading goals and partner with Momentum Securities, one of South Africa's oldest JSE Full Service Stockbrokers, licenced since 1938.

Open up a **Momentum Securities Execution-only portfolio** online by visiting [www.momentumsecurities.co.za](http://www.momentumsecurities.co.za) or contact our retail desk on **011 550 6267** or [retaildesk@momentum.co.za](mailto:retaildesk@momentum.co.za)
