

# Act on **investment opportunities**, no matter where you are.

## Online Trading Platform

The Momentum Securities trading platform allows you to open a trading account online, enhance your trading experience and it will provide you with the opportunity to view and access information pertaining to your portfolio. It provides:

- Superior charting and trading on a single platform.
- A single view of your portfolio.
- Access to your tax and investment statements.

Visit [momentumsecurities.co.za](http://momentumsecurities.co.za) and select “*Online trading*” to access the platform.

## Momentum Securities mobile app

With our trading app, you can view your Momentum Securities portfolio from your mobile device. Here are some key features:

- View your portfolio – toggle between local and offshore holdings and cash.
- Take a look at watchlists, price alerts, SENS alerts, and share search functionality.
- You can view your order book, historic orders, account transactions, trade details, monthly statements, tax statements and contract notes.
- Market information at your fingertips such as indices, SENS, news, and research, including our Morning Bell and Broking Weekly publications.
- You are able to request withdrawals.

Should you have any queries, please contact the Momentum Securities Client Services team on **011 550 6270**.

Visit your app store and download the Momentum Securities trading app today.
