

WELCOME TO CAMPUS

Role-Specific Resources

 <p>COUNSELORS & ADMINISTRATORS</p>	<p>Academic Planning Behavior Early Warning Empower Counselors and Administrators to define and monitor student progress towards graduation, optimize school and staff resources during master schedule creation, oversee student behavior management, and identify students at risk of not graduating on schedule.</p>	 <p>infinitecampus.com/counselor_admin</p>
 <p>FRONT OFFICE STAFF</p>	<p>Online Registration Messenger Attendance Streamline tasks for Front Office Staff, facilitating student registration, managing household demographic details, collecting absence requests, recording attendance information, and fostering communication with the school and district community.</p>	 <p>infinitecampus.com/frontoffice</p>
 <p>HEALTH OFFICE STAFF</p>	<p>Student Health Health Management Reports Enable school health officials to efficiently document, track, and manage all student health information. From monitoring chronic conditions to recording office visits and administering medications, Campus provides the tools needed to maintain accurate records and support student well-being.</p>	 <p>infinitecampus.com/healthstaff</p>
 <p>PARENTS & STUDENTS</p>	<p>Parent Portal Student Portal Empower families and students to stay informed about school activities. These portals not only provide a convenient place to check student details regarding attendance, scheduling, and grades but also enable schools to streamline various processes, including school fees, required forms, and assignment submissions.</p>	 <p>infinitecampus.com/parents_students</p>
 <p>TEACHERS & CURRICULUM DIRECTORS</p>	<p>Teaching Center Grade Book Progress Monitor Seamlessly integrate student information and learning management, blurring the lines between an SIS and LMS. This innovative platform empowers teachers to efficiently handle classroom administrative tasks while delivering immersive digital learning experiences to their students.</p>	 <p>infinitecampus.com/teachers_curriculum</p>
 <p>TECHNOLOGY STAFF</p>	<p>Reporting User Security Auditing Options Technology Staff can enhance district decision-making processes through deep data insights while ensuring data security through robust security options and comprehensive auditing capabilities.</p>	 <p>infinitecampus.com/technologystaff</p>
