

Single sign-on

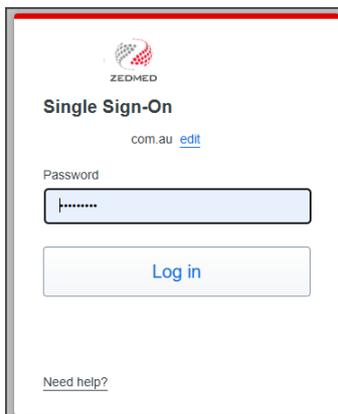

Version: 1.00 | Last Modified on 11/03/2026 11:35 am AEDT

1. Log in to the URL signin.zedcloud.com.au/login
2. Enter your Zedcloud email address: '<your name>@zedcloud.com.au'
3. Select **Continue**.

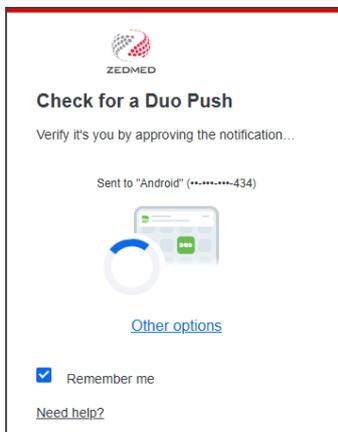

The screenshot shows the ZEDMED login page. At the top left is the ZEDMED logo. Below it, the text "Log in to Zedmed Cloud" is centered. There is a text input field labeled "Enter email". Below the input field is a blue button labeled "Continue". At the bottom of the page, there are three links: "Zedmed Knowledgebase", "Contact Zedmed Support", and "Find Out More About Zedmed Cloud".

4. Enter your password then select Log in.

The screenshot shows the "Single Sign-On" page. At the top left is the ZEDMED logo. Below it, the text "Single Sign-On" is centered, followed by "com.au" and a link "edit". There is a "Password" label above a password input field. Below the input field is a button labeled "Log in". At the bottom left, there is a link "Need help?".

5. Respond to the Duo notification on your phone.

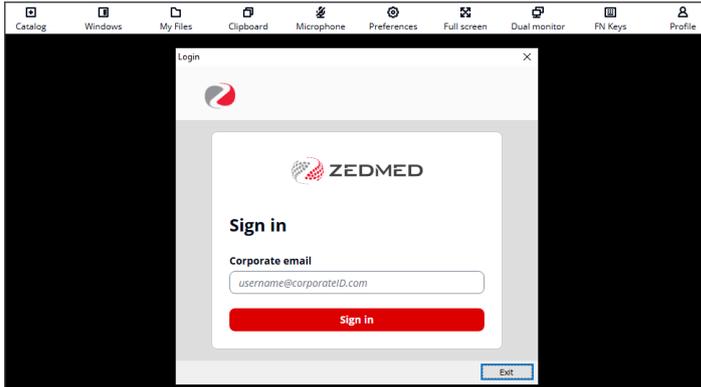

The screenshot shows the "Check for a Duo Push" page. At the top left is the ZEDMED logo. Below it, the text "Check for a Duo Push" is centered, followed by "Verify it's you by approving the notification...". There is a line of text "Sent to 'Android' (+.....-434)". Below this is an illustration of a smartphone with a Duo notification. Below the illustration is a link "Other options". At the bottom left, there is a checked checkbox labeled "Remember me" and a link "Need help?".

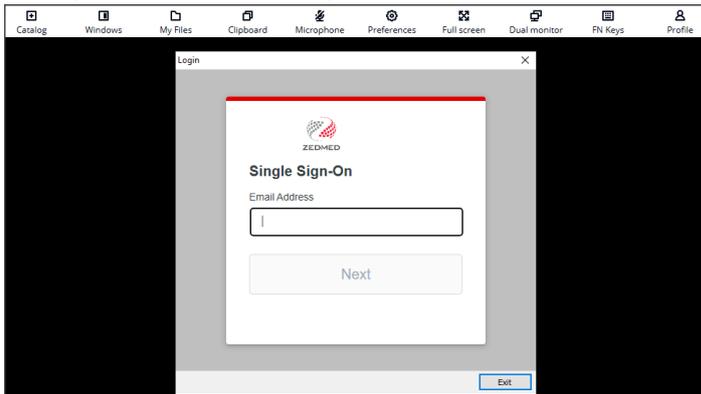

6. Select your Zedmed instance.

7. Enter your Zedcloud email '<your name>@zedcloud.com.au' then select **Sign in**.

8. Enter your Zedcloud email '<your name>@zedcloud.com.au'. then select **Next**.

9. Enter your Zedcloud password then select **Log in**.
